

25 BIANCHI PUBLIC RELATIONS YEARS

On Aug. 10, 1992, we started Bianchi PR with one computer, one phone, one Rolodex and a vision to give a few good clients the senior attention, good value and expertise they deserved.

Twenty-five years later, that computer, phone and Rolodex are all long gone ... but the vision remains. Over the years, we've shared some ups and downs ... as well as many successes. And we could have never made it this far without the confidence, faith and support of people like you.

So thanks for being a great friend to the team at Bianchi PR for all these years. And thanks for trusting us with your work. You have helped our vision thrive.
